

## Sweet Moon Baby Word Problems

The baby is helped by 3 fish in the river.  
Then, 2 fish swim away.  
How many fish are left? Show your work.

The wife has picked 3 carrots in the bowl. She has picked 3 carrots in her hand. There are 3 more carrots for her to pick in the ground.  
How many carrots will she end up picking? Show your work.

The husband and wife plant 3 cherry trees to get ready for the baby. Next, they will plant 2 peach trees.  
How many trees will they plant? Show your work.
